Josh,

As we discussed Wednesday find attached a letter from me to you concerning the Ex-Independence.

I am not sending this to the entire group but have included Albert Verhofstadt from Navy Northwest. I appreciate you sharing around as appropriate on the Navy side.

I will also be forwarding the letter to the Suquamish Tribe and the State Department of Ecology as we discussed.

Please let me know if you have any questions. I also provided the contact information for Michael Rylko for questions related to the technical review in the letter.

Thank you,
Peter
